Friday 19th September

Congratulations to our newly appointed House Captains and Champions. Many applications were received and we were impressed with the quality of the applications. It was clear that children felt passionate and cared, with much thought going into each application. Here are a few snippets from the applications:

'I am here to support all children. I am organised, communicative and responsible.' Eden

'I think I'd be pretty good at speaking in front of the school and helping younger children.' Ailla

'I love the environment and I will do anything to protect it. I am not bossy and I will motivate by encouraging, educating and leading by example.' Zephyr

Art Enrichment Day

We are having an art day on Friday 26th (next week). During the morning children will work in House teams to create whole school collaboratives pieces - this is our first house event. This will be led by Ms Gillion. Then in the afternoon, we have **Richard Phethean** coming in to work with the children. Parents are more than welcome to come in to help AM or PM – just let their child's class teacher know.

Richard's broad pottery teaching experience spans forty years. A ceramics graduate of the Camberwell School of Arts and Crafts, and further trained in the studios of tutors Colin Pearson and Janice Tchalenko, Richard is a long established professional potter whose work is exhibited and collected widely in the UK and Europe. He is a Fellow of, and recently retired as Chair of the Craft Potters Association, a member of the Cornwall Crafts Association and of the Penwith Society of Artists. Richard makes thrown, altered and assembled vessels in coarse textured red and black earthenware clays with brushed slips and resist techniques. His current work combines references to ancient pottery, European slipware traditions and early twentieth century abstract painting.

Parents' evenings for children on our SEND register

This year we plan to hold SEND meetings with parents away from the main parents' evening. This is to ensure there is enough time to work through planned support and to also discuss the usual matters. These meetings are planned for Weds 1st October 3.30-5.30pm. Parents of children on our SEND register do not then need to sign up for main evenings. We will call to book these in.

Parents evenings'

Please note our main parents' evenings are on 14th, 15th and 16th October:

- 14th Parents' evening Brisons, Longships and Cowloe 3.30-6.30pm
- 15th Parents' afternoon/evening Aire 2.00-6.00pm
- 16th Parents' evening Brisons, Longships and Cowloe 3.30-6.30pm
