Friday 3rd October

Happy Friday everyone!

We are so lucky to have had so many exiting enrichment activities already this term, thank you to everyone who has supported this.

Drama enrichment

Our Year 5 children did their **Minack** workshop yesterday. Some very talented actors I believe. I can't wait to see them perform at the theatre on the 16th October. We do need a parent helper to come with us in the minibus – please let Mrs Tindall know if you can support. Huge thanks to the Minack for giving us this wonderful opportunity.

This morning, we also had Steve Backshall come in to meet with the children, to celebrate our local rich and wonderful environment and wildlife - 'Deadly Sennen' - Steve was impressed with the children's knowledge and love of our locality. Thank you so much for finding the time to come and see us, it is very much appreciated.

Science enrichment

The pottery afternoon last week was a great success. Thanks again to Richard for coming in. The egg cups have now gone to the studio to be fired.... we are looking forward to seeing the results.

Art enrichment

Champions

We have had our first meetings with each champion group today and have begun to formulate plans for each group. Our sports champions also had their play leader training this morning. This will support developing their skills as leaders and they will also learn some games to teach in the training, planned for next week.

A wet end to the week but we have been lucky thus far this term. I have enjoyed watching the children play with the tyres and crates - love the creativity! We will be buying more equipment soon.

Have a super weekend,

Ms Gillion

We are holding our **Harvest assembly on Friday 17th October at 2pm in the Community Hall**. Parents are invited. We will be asking for food donations, which will be passed onto the local foodbank via Revd Adam Thomas.

Wrap Around Care

Do you know of anyone who would be willing to support our school?

Can you spread the word locally?

We know some of our families are desperate for wrap around care after school to support their working patterns. We have the start-up funding available but need to find a someone, or two people as a job share, to come in as our Play Leader.
