

123 AFTER SCHOOL CLUB

CONSENT POLICY

The 123 Club believes that consent is important to ensure that we are working in partnership with parents, obliging on parents' wishes and requests and working within the legal context of The Children's Order (1978) at all times.

There are separate policies covering consent in the following areas :

- Confidentiality Policy
- Intimate/Personal Care Policy

Parents also give written consent to the 123 Club Policies provided in the Parental Handbook and set out in the Policy files held in each Playroom.
